

April 10, 2023

Dear Valued Patient,

We are writing to inform you that after much consideration, McKenzie Midwives & Lactation Services will close its practice on July 7, 2023.

Continued care is important. Patients may continue with McKenzie Midwives until July 7. You may choose to stay with your current midwife over the next three months as they establish another location for their practice.

The choice is yours to where and with whom you transition your care; if you would like to find another provider with privileges at McKenzie-Willamette Medical Center please call Oregon Medical Group's Center for Women's Health at 541.686.7007 to make an appointment.

Thank you for trusting us with your care, and we regret this disruption. There are no changes to McKenzie-Willamette's labor and delivery program.

If you have any questions or concerns, please do not hesitate to contact me at 541.345.2205.

Sincerely,

Robyn French

Office Manager
